

NEWS RELEASE

CROPS provides update on financial statement filing deadline extension

June 29, 2020; Vancouver, Canada: CROPS Inc. (TSXV:COPS) announces that further to its news release of May 29, 2020, the Company is continuing to rely on the extension provided by the securities regulators as a result of the COVID-19 pandemic regarding the deadline for filing and delivering its interim financial statements and MD&A for the three months ended March 31, 2020. Accordingly, the Company will file the interim financials no later than the extended deadline of July 13, 2020.

CROPS confirms that its audited financial statements and MD&A for the fiscal year ended December 31, 2019 were filed on June 12, 2020. The Company also confirms that there have been no unannounced material business developments since the Company filed its December 31, 2019 annual financial reports.

Until the aforementioned financials are filed, the Company's management and directors are subject to a trading black-out that reflects the principles in section 9 of National 11-207, *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions*.

Forward-Looking Statements

Certain statements contained in this news release constitute forward-looking statements within the meaning of Canadian securities legislation. All statements included herein, other than statements of historical fact, are forward-looking statements and include, without limitation, statements about the Company's financial statement filings. Often, but not always, these forward looking statements can be identified by the use of words such as "estimate", "estimates", "estimated", "potential", "open", "future", "assumed", "projected", "used", "detailed", "has been", "gain", "upgraded", "offset", "limited", "contained", "reflecting", "containing", "remaining", "to be", "periodically", or statements that events, "could" or "should" occur or be achieved and similar expressions, including negative variations.

Forward-looking Statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any results, performance or achievements expressed or implied by forward-looking statements. Such uncertainties and factors relate to, among other things, information regarding the Company's financial statement filings; changes in general economic conditions and financial markets; the Company or any joint venture partner not having the financial ability to meet its exploration and development goals; risks associated with the results of exploration and development activities, estimation of mineral resources and the geology, grade and continuity of mineral deposits; unanticipated costs and expenses; and such other risks detailed from time to time in the Company's quarterly and annual filings with securities regulators and available under the Company's profile on SEDAR at www.sedar.com. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended.

Forward-looking statements contained herein are based on the assumptions, beliefs, expectations and opinions of management, including but not limited to: that the Company's financial statement will be filed as anticipated; that there will be no material adverse change affecting the Company or its properties; and such other assumptions as set out herein. Forward-looking statements are made as of the date hereof and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise, except as required by law. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, investors should not place undue reliance on forward-looking statements.
